2021/0877/P	S. Toff	25/03/2021 17:52:23	SUPPRT	I work in one of the offices of this building and it would be great if there was a decent modern hotel in the area and there needs to be a good development of Chalk Farm. I do hope that the build will be expedited as quickly as possible to minimise any inconvenience. it will be good for us locals if a time schedule can be documented, I think a boutique hotel will enhance the area and a great new addition.
2021/0877/P	Mr J Joseph	25/03/2021 11:21:36	SUPPRT	<p>As a leaseholder in the building, I think this is much needed development for the junction, which is a bit rundown at the moment.</p> <p>Although the build work and noise will be disruptive to me, I have to approve this hotel as it will be good for the area. I actually like the design.</p>
2021/0877/P	D Geiger	25/03/2021 10:42:54	SUPPRT	<p>I have lived in the area for many years. I am pleased to see efforts being made to improve the area especially around Chalk Farm which in part is quite rundown. I have a lot of visitors from abroad coming during the year and therefore a local boutique hotel would be ideal for them to stay nearby. It is also good to see that this application is by an actual hotel operator and not just a developer looking to sell it</p> <p>Please block my name and address details</p>
