2021/0368/P	Ellen Gates	26/03/2021 15:42:07	OBJ	It is not clear to me from the documents dated 15/3/21 whether a glazed balcony is still proposed. If so, I object to the glazed balcony. There are no other glazed balconies on the Grade II* Grove Terrace. Such balconies have a reflective quality that is not consistent with the historic character of the building. It would set a precedent which could lead to the overall degradation of the historic character of the Terrace.
