

New Brickwork - London stock reclaimed second hand brickwork to match the existing.

New Roof & parapets - The parapets to the roof edges & the 2nd floor balcony terrace will have pre-cast reconstituted Stone copings to match those to the adjoining extensions.

The roof finish will be flat roof build up for Sedum 'green roofs' as the consented Basement Flat A.

New Windows – 'Crittal' style metal window framed double glazing to the ground floor Flat B to match the consented windows proposed for Basement Flat A.

The upperfloor windows to Flat C will be traditional timber sash windows with radius'd flat brick lintels & reconstituted stone sub-cill to match the existing upper floor windows

6 New Railings – The 2nd floor metal rails to the proposed balcony roof terrace will match the design of the existing 1st floor balcony railings.
