Subject: viewing the drawings RE: 64-66 Argyll Street, WC1H 8ER- Planning History Request

Hello

I don't normally email planning documents out as attachments because of copyright protections of documents. I publish drawings individually rather than in a batch to assist with viewing the drawings.

You have asked specifically for drawings concerning planning application HB/3360 so on this example let me show you please how to view the drawings related to HB/3360.

If any problems arise when following these steps please try **a different internet browser**.

-visit Camden.gov.uk

-search for planning applications

-follow the link to search for planning applications

-to view the details of HB/3360 input this reference number in the Application Number field. Please ensure that if copying and pasting anything **no spaces** are copied to the left or right to the copied words.

Search Criteria	
Application Number	HB/3360
Applicant Name	
Agent Name	
Site Address	
Street Name	< all >
Proposal Key Word	

The search phrase, in this case HB/3360, must have been copied with a space to the left or right. To eliminate this problem I use the percentage signs, as shown here:

Search Criteria	
Application Number	%HB/3360%
Applicant Name	
Agent Name	
Site Address	
Street Name	< all >
Proposal Key Word	

At this point please press Enter or scroll down to click on the Search button. This will take you to the Application record.

You will be able to view the drawings in the Application details section titled **Documents for this application**

Alternatively research the Site Address, for example, with the phrase %66%Argyl%St% like shown here. You will see HB/3360 come up among the results.
