Dear Sir/Madam

DECISION

Town and Country Planning Act 1990 (as amended)

Full Planning Permission Granted

Address:

NW3 1NH

Drawing Nos: GA 02 /B, GA 01 /A, SV 00, SV 01

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy D1 and D2 of the London Borough of Camden Local Plan 2017.

- 3 The development hereby permitted shall be carried out in accordance with the following approved plans: GA 02 /B, GA 01 /A, SV 00, SV 01

Reason:

For the avoidance of doubt and in the interest of proper planning.

Informative(s):

- 1 Reasons for granting permission.

The installation of a new window and door on the side elevation of the host building is considered to represent a minor alteration that would not cause harm to its original character and appearance. Similarly, the replacement of an existing window to the rear with a slightly larger window opening is considered acceptable in terms of its visual impact. Given the limited visibility the alterations would have from the public realm, the proposed windows and door are not considered to cause harm to the character and appearance of the surrounding conservation area.

The proposals are not considered to cause harm to neighbouring amenity in terms of loss of light, outlook or privacy.

No objections were received following statutory consultation. The site's planning history and relevant appeal decisions were taken into account when coming to this decision.

Special regard has been attached to the desirability of preserving or enhancing the conservation area, under s.72 of the Planning (Listed Buildings and Conservation Areas) Act 1990 as amended by the Enterprise and Regulatory Reform Act 2013.

As such, the proposal is in general accordance with policies D1, D2 and A1 of the Camden Local Plan 2017. The proposed development also accords with the policies of the Hampstead Neighbourhood Plan 2018, London Plan 2021 and National Planning Policy Framework 2019.
