2021/0478/P	The Heath & Hampstead Society	06/04/2021 16:27:30	COMMNT	<p>COMMENT</p> <p>From: THE HEATH & HAMPSTEAD SOCIETY</p> <p>This is an objection to the detailing of the proposed small but highly visible top floor windows on both the street and Heath elevations.</p> <p>Windows exist in this position in many of the surrounding houses but none have semi-circular arches. All have painted stone lintols (No 9 Tanza Road) or brick soldier lintols (no 15).</p> <p>Please require the applicant to use either of the above and ensure that the proposed windows on both elevations match exactly the height and width of the existing windows.</p>
