2021/0540/P	susan rose	04/04/2021 11:50:25	OBJ	Highgate CAAC wishes to object to this application for an ancillary timber building in the garden of the grade II* listed Apothecary's House. WE dispute the assertion made in the heritage statement that the building would only be 'very marginally visible' from the street and would have no deleterious effects on the setting on the adjacent 44 and 45 West Hill also listed. it is an unnecessary and damaging intrusion in the curtilage of one excellent listed building and in the setting of two others. This group of buildings is of outstanding quality and must be fully protected.
