2021/0877/P	Edward Williams RIBA	07/04/2021 13:17:22	OBJ	<p>I strongly object to this application.</p> <p>I have rarely seen such a badly designed building.</p> <p>It is clearly designed to maximise profit at the complete loss of character.</p> <p>This design would be out of place in a third rate Middle Eastern town.</p> <p>The room size will attract only those attending local venues for drinking and will cause disruption to the neighbourhood.</p> <p>The current building is an addition to the area and should not be demolished in the search for greed.</p>
