2021/0814/P	Guy Morris	08/04/2021 09:18:10	OBJ	I object to the proposed removal of the trees. Too many trees have already been removed from this area in recent years, and this application does not make clear why the removal of trees is necessary or whether simply cutting them back might serve the desired purpose. The application offers to find space for "greenery", but this really needs to be a much more specific offer.
2021/0814/P	Harry MacNaughton	09/04/2021 08:16:27	OBJ	I object to the proposal to remove 2 trees, protected by TPOs. These were only planted in 2009 after replacing trees which were removed in 2005 and 2008. The council needs to do more to protect the trees.
2021/0814/P	Jean Graves	08/04/2021 13:20:25	OBJ	I object to this because of the removal of trees plus the extra traffic this will bring to the Square. The parking places are limited and we don't need extra cars.
