2021/0841/P	Lucy Findlay	08/04/2021 19:52:59	COMMNT	<p>The photos in the D&A statement appear to show that the planning condition (specifically the installation of wood slat screening to the terrace) associated with granting 2016/1835/P 73 Compayne Gardens for building a new rear extension and its use as a terrace to the first floor, has not been implemented.</p> <p>Shouldn't enforcement action be taken or planning approval be sought if this condition is to be removed?</p>
