I presume Camden will encourage the developer to maintain a strict timeline to commence and complete the building works promptly as there will be a great deal of disruption.</p> <p>Overall, the pictures of the new building look great, I hope the end result will be the same.</p> <p>The area is in need of a decent Hotel, this will be good for the area.</p>

There seems to be a lot of building going on in the area it will help the area look far improved overall and create jobs. The Roundhouse is a destination and very famous. Having a hotel next to it will be excellent for tourists and attracting them which again can only be a very good thing for the area</p> <p>I strongly support this scheme. A boutique hotel is exactly what Chalk Farm and Camden Town need.</p>
