Dear Laura,

I understand that you are the case officer for the current part retrospective application at No.111 Frognal.

We act for the neighbours at No.109 and 113 who wish to raise objections to the proposals. Please find attached our letter in this regard.

We will be submitting comments on the further proposal which has recently been registered for a new part subterranean garden building in due course but wanted to make sure you had this letter ahead of the deadline.

I would be most grateful if you could confirm receipt.

Kind regards

Paul
