2020/5917/P	David Rincroft	09/04/2021 10:11:10	OBJ	I object to the application on the basis ,that it will be far too large and overbearing and would compromise the privacy of the properties on either side and perhaps even further .It would also set a dangerous precedent in a conservation area and its possible impact on the local environment with regards to noise and light for neighbouring properties
2020/5917/P	Michelle Lawrence	09/04/2021 13:17:06	OBJ	<p>I am very concerned about the proposed developments at 131 King Henry's Road and wish to strongly object to the proposal.</p> <p>Specifically the proposed terrace would allow for gatherings and cause noise disturbance and privacy disturbance to the neighbours and neighbouring properties. Any terrace and gatherings above the ground level will cause more noise disturbance than at the garden level. This would also set a bad precedent for future peace and quiet in the area.</p>
