2021/0609/P	Mary Tucker	09/04/2021 19:31:10	INT	<p>We object to this proposal in this application 2021/0498/P. Having 6 bedrooms all with bathrooms suggests that it is not going to be used as a family home but for multiple occupancy, or an Aparthotel as has happened at number 89 Messina Avenue, which was converted without permission, and has caused sewage twice to come into the cellar next door at 87 Messina Avenue as the pipes can't cope with so many bathrooms. There is so little green/gardens in the road that is vital not to take away any of the outside space. The Extension could also reduce the light to the house next door.</p> <p>There is no record of any Application or Permission for Change of Use from use class C3 family house.</p>
