2021/0814/P	M Gangola	12/04/2021 20:02:45	COMMNT	<p>I reject any planning , where there is a proposal to remove ANY TREES .</p> <p>Too many have already been lost in Belsize Square, including , a couple a few years back , also cut down by the synagogue.</p>
2021/0814/P	Stuart Goldwater	12/04/2021 09:52:11	OBJ	<p>I object to this application for the below reasons:</p> <ul style="list-style-type: none"> <li>¿ The proposed removal of trees as part of the redevelopment, which I believe is unnecessary and has a clear environmental impact</li> <li>¿ The lack of clarification and detail around the height on the new structure is unacceptable</li> <li>¿ The lack of detail and clarification of the impact of the air conditioning units on noise pollution, in relation to the recourse if these units are used outside of the permitted days and hours</li> <li>¿ The location change of the refuse site, which would impact the smell to our area (I back onto the synagogue so this would no doubt affect our flats)</li> <li>¿ Loss of privacy due to the extension of the windows</li> </ul>
