2021/0877/P	Simone Gozzetti	12/04/2021 22:44:50	OBJ	<p>The exterior appearance of the building is far away from the character of the area. We do not need another hotel. One is has approved on the other side of the road a few days ago, and many other hotels in the area are still not full busy in the peak time. I have always booked rooms for my guests without any issues at the last minute.</p> <p>It will bring little jobs. Waste management collection is ridiculous and using a bustling road like Adelaide road. They rely on public space for their hotel services, and there is no reason to remove the motorbike park space. Regent's Park Road is a one-way road with a busy bike line that they did not mention in their project. Simply it is not the right place for a second hotel on the same crossroads.</p>
2021/0877/P	Robert	12/04/2021 10:40:10	SUPPRT	I live in the same street as this proposed hotel. My comments are that I like the design and believe that this new building will improve the area and be excellent for business bringing in tourists for the area as well of course as creating jobs
2021/0877/P	Mr G David	12/04/2021 13:04:15	SUPPRT	<p>My flat is opposite the building, I think it will be good to have a hotel at this site which I think can only help improve Chalk Farm which is badly needed. In particular, it is not very nice at the front of the building in the triangle pavement area as it is messy, so if that can be done to be a nice area this too will be very good for the area I live locally and strongly support this hotel. It looks very good and will be excellent for the area in terms of jobs and redevelopment which is badly needed., especially at this current time. I am also pleased to see that it is an actual hotel operator that is developing this building.</p>
2021/0877/P	Toledano	12/04/2021 10:44:13	SUPPRT	I live and work in the area. I approve the idea of a hotel for the area. I actually cannot see any negatives. There seems to be a lot of building going on in the area and so it is good that it will help the area look far improved overall. The Roundhouse is a destination and very famous. Having a hotel next to it will be excellent for tourists and attracting them which again can only be a very good thing for the area
