Dear Andy

I refer to my earlier email relating to the report dated 25<sup>th</sup> February 2021 and confirm I have now seen some additional further objections.

I confirm that I carried out a full measured survey on 28<sup>th</sup> February 2020 and re-attended site to check measurements on 25<sup>th</sup> February 2021. I confirm that I am satisfied with the accuracy of the plans, elevations and ground level submitted in this application.

Kind regards,

Tim Minns
