Dear Sirs,
I have been living at number 15 Belsize Park Mews for the last 15 years.

Having taken the time to review the planning application made for 5 Belsize Park Mews, I'm in full support of this application. I believe the architectural design and front fenestration alterations will improve the property and the aesthetics of the mews as a whole. The erection of a single storey roof extension has been cleverly designed and is not intrusive of neighbouring properties. I have no objections to this planned extension.

Kind Regards,
Lionel Cohen
