2020/4667/P	Anne-Marie Muccio	14/04/2021 12:35:34	OBJ	<p>My family and I would like to object to the demolition of 38 Frognal Lane and the plans to build such a big building in its place that will take up most of the green land that is there.</p> <p>the proposed structure will not only be an eyesore but also not proportionate to the land. It will also block the views of greenery we currently have from across the street and it will overshadow the street view and other neighbours.</p> <p>The proposed basement structure is in opposition to the Reddington &amp; Frognal Neighbourhood Plan due to the impact it will have on watershed and ground-water levels, detrimental to neighbours further down the hill.</p>
