5. Description of Your Proposal

What was the original application type?

Full planning permission

For the purpose of calculating fees, which of the following best describes the original application type?

- ☐ Householder development: Development to an existing dwelling-house or development within its curtilage
- ☒ Other: anything not covered by the above category

6. Non-Material Amendment(s) Sought

Please describe the non-material amendment(s) you are seeking to make

To create a stepped access onto the central landing area of the proposed ramp where originally a small slope was proposed.

Are you intending to substitute amended plans or drawings?

☒ Yes ☐ No

If yes please complete the following

Old plan/drawing numbers

CA030_P_01AHM_005_GA Plan_RevB

New plan/drawing numbers

CA030_P_01AHM_005_GA Plan_Rev C

Please state why you wish to make this amendment

The site is currently under construction. It has become clear that overall the levels across the site are 190mm out. Therefore the originally proposed ramp would have to be made steeper and/or longer to allow compliant access. There is insufficient space available between the ball court and the building to accommodate this. Therefore a stepped access is the only option available.

7. Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

☒ Yes ☐ No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

- ☐ The agent
- ☒ The applicant
- ☐ Other person

8. Pre-application Advice

Has assistance or prior advice been sought from the local authority about this application?

☐ Yes ☒ No

9. Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

☒ Yes ☐ No

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

If yes, please provide details of their name, role, and how they are related:
