[EXTERNAL EMAIL] Beware – This email originated outside Camden Council and may be malicious Please take extra care with any links, attachments, requests to take action or for you to verify your password etc. Please note there have been reports of emails purporting to be about Covid 19 being used as cover for scams so extra vigilance is required.

We wish to object strongly to this application on two grounds.

1. The residents of Crestview have had no say in the procedures that have led to this proposal for siting enormous telephone masts on the roof of Crestview.
2. The masts will be visible over a wide area, especially from the Heath and will be detrimental to the view from all aspects.

Yours sincerely,
John and Sarah Carrier.
