2021/0791/P	James Edholm	15/04/2021 22:14:29	SUPPRT	I'm happy for the extension to go ahead - it looks like it will have a minimal impact on the view from the road and will provide more space for the nursery
2021/0791/P	Joanne Scott	15/04/2021 17:08:05	OBJ	I object to this proposal, as it should be considered in conjunction with outdoor classroom proposed in the garden of the school. I live at 101 and I am concerned about the overdevelopment of this site and the lack of consultation with the neighbours. Two separate planning applications have been submitted, but they should be considered together. None of the neighbours surrounding the site have been informed and there is no planning notices on Mill Lane to inform neighbours about these proposals. Camden Council need to extend the deadline and also put up notices on Mill Lane. The proposals in the plans do not show the proposed double door at the front of the elevation on Fordwych Road. This would destroy the streetscape of the Victorian buildings on the road. The Planning Officer should insist on more detailed plans before granting permission. Camden Council should reject this application, as it isn't detailed enough and I would consider this overdevelopment of the site if considered together with the other application: 2021/0793/P.
