2021/1893/T	Elaine Parker	26/04/2021 09:19:44	SUPPRT	We support the application to fell this unsightly tree. It's branches extend to about 2 metres from the boundary to our home and it severely restricts light to our garden from the west. We would support its replacement with a smaller, ornamental tree, preferably an indigenous species to promote bio diversity.
