Dear Mr Limbrick

I am writing to object to the proposed application.

The design is totally incongruous with the rest of the street and proposed colour makes it stand out even more.

Modern buildings can mix very well with traditional ones but not this.

Furthermore, the enlargement in height and volume would be overwhelming in relation to the surrounding buildings.

All the neighbours are very concerned and upset about being imposed the construction of a building which all dislike so much and think it is such a bad fit in the street.

Thank you for taking this letter in consideration.

Best regards

Caroline BdL
