Dear Mr Limbrick

I write to object to the above application. This proposed application is unsuitable & the design and height must be urgently reconsidered. As a long-time Hampstead resident that cares about the area I see this design as incongruous next to its semi detached neighbour but also believe it is too large for its proposed position. The coloured tiles are also totally inappropriate for the conservation area. This would be a huge error & plans need substantial alteration.

Yours sincerely

Emma myers
