Dear Sofie,

I would appreciate if you could acknowledge receipt of this Email which provides DPCAAC comments on this Application. My apologies that, due to a misunderstanding, these comments were not sent before the deadline of 18 March, 2021.

"The DCAAC has no objections to this application. However, it would note that the Owner of No. 2 Swains Lane has a Right of Way from the rear of the property through the St Albans Road Flats. Attention is also drawn to the fact, that the Council rejected the argument of overlooking when allowing terraces on the east side of the Carob Tree. In practice, there have always been windows at the rear of the No. 2 Swains Lane "
