Dear Sir/Madam

Glebe House, 15 Fitzroy Mews London W1T 6DP- Planning Application

We understand from our client Mr Jean Louis Journade, a leaseholder of Glebe House, that a planning application has been made by Haines Philips Architects for an extension at roof level to provide a new 3-bed unit on 14 April 2021. Our client lives in what is currently the upper floor of this building and is very concerned about the implications of this proposed development.

Our client has not received any notification from Camden Council and we note that the application has not yet been uploaded to the Council's website.

Mr Journarde wishes to strongly object to the proposal and will be formally writing to object as soon as he is notified by Camden of the application.

We would be grateful if you could ensure that Mr Journade is consulted as soon as the planning application is formally validated.

We look forward to hearing from you.

Regards

Frances Young
