

Plan Lower Ground Floor

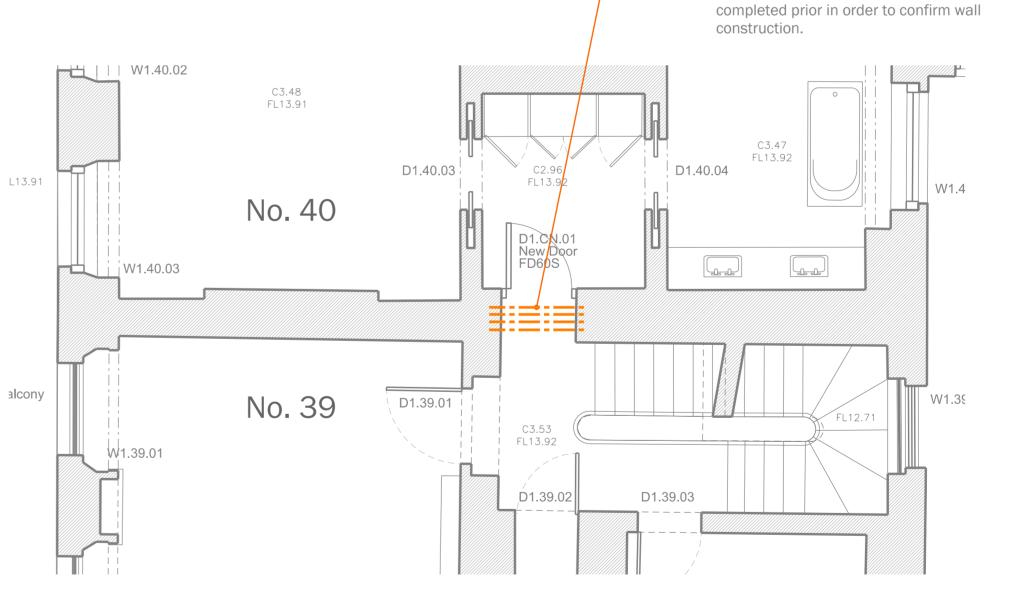

Plan Ground Floor

NEW PCC lintels over new opening. See detail.

Allow for needling through and propping of wall over whilst new lintels inserted. Local removal of finishes and investigative works to be completed prior in order to confirm wall construction.

Plan First Floor

whitby wood

39&40 Chester Terrace

New Openings Between 39&40

General Notes:

For suggested method of installation see WW Technical Note 01.

All temporary works to be designed by Temporary Works designer with proven

experience in similar construction.
