Dear Sir/Madam

## **DECISION**

Town and Country Planning Act 1990

### **Advertisement Consent Granted**

Address:

**Rear of 1-3 Britannia Street  
London  
WC1X 9BN**

Proposal: Installation of 1 x internally illuminated fascia sign.

Drawing Nos: P\_00 rev P2, P\_11 rev P4, Advertisement consent application document dated March 2021.

The Council has considered your application and decided to grant consent subject to the following condition(s):

#### **Conditions and Reasons:**

- 1 No advertisement is to be displayed without the permission of the owner of the site or any other person with an interest in the site entitled to grant permission.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 2 No advertisement shall be sited or displayed so as to
  - (a) endanger persons using any highway, railway, waterway, dock, harbour or aerodrome (civil or military);
  - (b) obscure, or hinder the ready interpretation of any traffic sign, railway signal or aid to navigation by water or air; or

(c) hinder the operation of any device used for the purpose of security or surveillance or for measuring the speed of any vehicle

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 3 Any advertisement displayed and any site used for the display of advertisements, shall be maintained in a condition that does not impair the visual amenity of the site.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 4 Any structure or hoarding erected or used principally for the purpose of displaying advertisements shall be maintained in a safe condition.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 5 Where an advertisement is required under these Regulations to be removed, the site shall be left in a condition that does not endanger the public or impair visual amenity.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 6 Illumination of the advertisement hereby approved shall be static and shall not exceed 300cd/sqm.

Reason: To ensure that the illumination of the sign is not detrimental to the visual amenities of the area in accordance with the requirements of Policy D4 of the London Borough of Camden Local Plan 2017.

- 7 The advertisement shall not be illuminated between the hours of 00:00 and 06:00.

Reason: To ensure that the illumination of the sign is not detrimental to the visual amenities of the area in accordance with the requirements of Policy D4 of the London Borough of Camden Local Plan 2017.

#### Informative(s):

- 1 Reason for granting advertisement consent:

The proposed signage is considered to be acceptable given the size, design, colour, materials, location, method of illumination and luminance levels. It is noted that internally illuminated signs are not normally acceptable within a conservation area; however, in this particular instance, the signs would have suitably low luminance levels (no higher than 300 cd/m<sup>2</sup>) which would be secured by condition and only individual letters would be illuminated (the background of the signs remaining non-illuminated).

The signs would not have any adverse impact on neighbouring amenity, especially

given the modest luminance levels, nor would they be harmful to either pedestrians or vehicular safety in accordance with guidance. The signs would therefore preserve the street scene and wider character of the Kings Cross St Pancras Conservation Area, and are acceptable.

The site's planning and appeals history has been taken into account when coming to this decision. No objections have been received.

As such, the proposal is in general accordance with policy D4 of the Camden Local Plan 2017, the London Plan 2021 and the National Planning Policy Framework 2019.

- 2 You are advised that this decision relates only to the advertisement shown on the drawings hereby approved. The changes to the entrance door shown on the submitted drawings would require separate planning permission.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraph 38 of the National Planning Policy Framework 2019.
