Please state the condition number(s) to which this application relates

Condition number(s)

3 The development hereby permitted shall be carried out in accordance with the following approved drawings:
2010-05: 20(M)-401 A, 25(M)-401, 26(M)-401

4. Description of the Proposal

Has the development already started?

Yes No

5. Condition(s) - Removal/Variation

Please state why you wish the condition(s) to be removed or changed

The new proposed drawings add a half-height timber window to the approved rear first floor extension. Reason: to allow for fresh air ventilation without requiring the door to be left open and risking the applicant's two young children getting onto the roof terrace. We do hope with this justification, and the fact the elevation is not prominent or readily visible, that it will be acceptable.

If you wish the existing condition to be changed, please state how you wish the condition to be varied

Replace with references of drawings submitted in this variation of conditions application.
