2021/1010/P	Catriona Bourdillon	03/05/2021 17:55:55	COMMNT	<p>Rebuilding the garage at No. 18 is fine but I would like to object strongly to the overdevelopment of the garage by installing a shower, a lavatory and basin. This is unnecessary as the whole house is being completely refurbished this year with all these necessities included in No. 18.</p> <p>Adding a shower, lavatory and washbasin will lead to this becoming a one room residence ripe for letting or selling and would be unsuitable for this conservation area and the original 18th century layout of this Grade II* Terrace</p>
