2021/1247/A	Ed laws	01/05/2021 08:37:24	OBJ	<p>Object as designs submitted are insufficient to form an option on impact.</p> <p>Camden Council sign off anything they helps them cosy Up to big corporates so don't understand why they pretend to engage and seek comment - it's only a check box game for them - at the end of the day Camden just boas almacantar in their permissions - they happily have ruined the lives of residents causing sickness and stress as they let almacantar ruin the area. In addition to objecting this application i would request a vote of no confidence in this terrible state</p>
