Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 3 The development hereby permitted shall be carried out in accordance with the following approved plans: CHQ.20.16050-PL01, CHQ.20.16050-PL03, CHQ.20.16050-PL02, CHQ.20.16050-PL04, cover letter dated 15/02/21

Reason:

For the avoidance of doubt and in the interest of proper planning.

Informative(s):

- 1 Reasons for granting permission.

The current application seeks to replace the existing double doors on the South East Elevation entrance to the building, with glazed automatic doors with a push pad entry system.

The replacement of the existing solid doors with glazed automatic double doors is considered to represent a minor alteration that would not cause any harm to the original character and proportions of the host building, particularly given the largely glazed appearance of the existing ground floor façade. Similarly, the minor scale of the proposals would ensure no harm is cause to the appearance of the wider area.

The proposals are not considered to cause harm to neighbouring amenity in terms of loss of light, outlook or privacy.

No objections were received following statutory consultation. The site's planning history and relevant appeal decisions were taken into account when coming to this decision.

As such, the proposal is in general accordance with policies D1 and A1 of the Camden Local Plan 2017. The proposed development also accords with the policies of the, London Plan 2021 and National Planning Policy Framework 201

- 2 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts that cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Judd St, Kings Cross, London NW1 2QS (tel: 020-7974 6941).
- 3 This approval does not authorise the use of the public highway. Any requirement to use the public highway, such as for hoardings, temporary road closures and suspension of parking bays, will be subject to approval of relevant licence from the Council's Streetworks Authorisations & Compliance Team, 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel. No 020

7974 4444). Licences and authorisations need to be sought in advance of proposed works. Where development is subject to a Construction Management Plan (through a requirement in a S106 agreement), no licence or authorisation will be granted until the Construction Management Plan is approved by the Council.

- 4 All works should be conducted in accordance with the Camden Minimum Requirements - a copy is available on the Council's website (search for 'Camden Minimum Requirements' at [www.camden.gov.uk](http://www.camden.gov.uk)) or contact the Council's Noise and Licensing Enforcement Team, 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel.
