Hello Mr Sheehy,

I tried to object to the application 2021/0500/P of 49 Leverton street but for some reason could not leave feedback recently. It may have been fixed but In the meantime I got your address from the Railey Mews Residents Association.

While I don't object the sliding garage door - so long as it's recessed - I think the roof garden is not ok it's too big, I can't imagine immediate neighbours would like it at all so would object. perhaps a small one is ok under the window...

Kind regards,

William Bone,
9 railey Mews.
