2021/1019/P	Jonathan Byatt	06/05/2021 20:10:47	OBJNOT	OBJECTION. The residents association of South End Close whole heartedly reject this application. No consultation with SEC residents has been held or attempted. The works will directly impact the safety and quality of life for residents as the build will use SEC as a building site, a storage depot, dumping ground and car park for building contractors, hgv deliveries and related machinery. Several illegal builds have already taken place on Constantine rd this year (#27, 59) without planning permission which have negatively impacted residents for months on end and introduced hazards and obstacles for the elderly, disabled and young families. This application cannot proceed without proper consultation and an agreed impact assessment and mitigation plan.
