2021/1293/P	Jonathan Byatt	06/05/2021 20:42:02	OBJ	Objection. This location sits at the intersection of the Royal Free entrance, close by A&E access as well as opening onto the narrow and busy Pond St. near southbound bus stop (3 routes). Without a mitigatin plan for traffic management to set times and other restrictions on vehicle loads and access Pond street will suffer nearly a year of disruption with knock on impacts for hospital visitors and ambulance arrivals.
