Drawing Nos: 1104-AP01, 1104-AP02, 1104-AP03A, 1104-AP04A, 1104-AP05, 1104-AP06, 1104-S01, 1104-S02, 1104-S03, 1104-S04, 1104-S05, 1104-S06, 1104-S07

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless

otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policies D1 and D2 of the London Borough of Camden Local Plan 2017 and policies DH1 and DH2 of the Hampstead Neighbourhood Plan 2018.

- 3 The development hereby permitted shall be carried out in accordance with the following approved plans:  
1104-AP01, 1104-AP02, 1104-AP03A, 1104-AP04A, 1104-AP05, 1104-AP06, 1104-S01, 1104-S02, 1104-S03, 1104-S04, 1104-S05, 1104-S06, 1104-S07

Reason: For the avoidance of doubt and in the interest of proper planning.

#### Informative(s):

- 1 Reasons for granting permission:

The proposed new single storey rear extension, partly replacing an existing conservatory, the altered rear and side dormers and the other rear window alterations are all considered to be acceptable in terms of design and size. The single storey rear extension and altered dormers would be subordinate to the host building in size and bulk and would be made of appropriate materials. The altered windows would respect the hierarchy fenestration. The design, scale, siting and materials of the extension, dormers and windows would be in keeping with the character and appearance of the host property and wider conservation area, and as such the character and appearance of conservation area would remain preserved.

It is not considered there would be any significant detrimental impact to residential amenity. The single storey rear extension would only extend by 1m beyond neighbouring windows and would not result in a significant loss of light or outlook. No new views would be afforded into any neighbouring habitable windows.

No relevant objections have been received. The site's planning history and relevant appeal decisions were taken into account when coming to this decision.

Special regard has been attached to the desirability of preserving or enhancing the conservation area, under s.72 of the Planning (Listed Buildings and Conservation Areas) Act 1990 as amended by the Enterprise and Regulatory Reform Act 2013.

As such, the proposal is in general accordance with Policies D1, D2 and A1 of the Camden Local Plan 2017 and Policies DH1 and DH2 of the Hampstead Neighbourhood Plan 2018. The proposed development also accords with the policies of the London Plan 2021 and National Planning Policy Framework.
