2021/1010/P	Jill Lawrence	10/05/2021 10:58:15	OBJ	<p>The Grove Terrace Residents Association objects to this application, and specifically to the inclusion of the outdoor BBQ and water feature. These features are shown as adjacent to the garden walls between the application site and numbers 19 and 17 (respectively) Grove Terrace. Grove Terrace is listed Grade II*.</p> <p>These garden walls are the original 18th century walls and are therefore included in the listing. No details are given in the application of how the BBQ and water feature will be affixed to the walls, the materials to be used, or the manner of their construction. It is therefore impossible to assess the impact on the listed structures. For this reason the application should be rejected.'</p>
