2020/5996/P	Kate O	10/05/2021 19:45:06	APP	<p>I live in a private residence close to this proposed works.</p> <p>We pay a lot of money to live in this area, and there are worries about health concerns and no proper data to back up to negate these concerns.</p> <p>Therefore, I am not in support of this and hope that this doesn't happen.</p> <p>Thank you.</p>
2020/5996/P	Nadia	10/05/2021 09:44:41	COMMNT	<p>Dear team,</p> <p>I trust you are well.</p> <p>As a resident of the area, I would like to express my concerns and also oppose to this plan going ahead. The area is mainly residential, full of families with young children. Such antenna isn't needed at all as we have a very good coverage already, also these antennas are likely to have a health impact on our children in the longer term.</p> <p>I would be grateful that this application doesn't go ahead.</p> <p>Many thanks.</p> <p>Nadia</p>

2020/5996/P	penny lipson	11/05/2021 11:59:41	COMMNT	My husband and I both object on the grounds of potential health implications as well as how unsightly it will be in a residential area.
