Dear Craig,

Thank you for the WSI. I'm happy with the scope and this looks in line with what you have previously agreed with Laura. Could you please add in a section on remote monitoring by GLAAS, with phone calls and photo updates? We can currently only undertake site visits under certain circumstances, although this may change by the time the fieldwork takes place later this year.

Thanks

Louise

Hi Louise & Adam

Sorry to email you about this but I'm trying to get a response from Rebecca regarding a mitigation WSI for Panther House.

Laura was dealing with this previously and I understand Rebecca was taking on Laura's case work. I'd agreed a mitigation strategy with Laura before her departure and have attached the relevant correspondence.

However, I keep getting a sort of 'out of office' from Rebecca which appears to be directed to enquiries regarding her former role.

Be grateful if you can provide any advice.

Many thanks

Craig

Hi Rebecca,

Have you had an opportunity to review the attached?

The client is keen to get the WSI submitted to LPA as soon as possible.

Please let me know whether I need to redirect this enquiry to another HE case officer.

Kind regards

Craig

Hi Rebecca,

I understand you've taken on Laura's projects since she's left HE.

Please find attached the WSI for the stage 2 mitigation for Panther House.

I've also attached the evaluation report and previous correspondence with Laura on the mitigation strategy for your information.

Please let me know whether you have any comments.

Kind regards

Craig
