Murphy Surveys Ltd. Disclaimer

The User or recipient of survey data understands and acknowledges this data may be inaccurate or contain errors or omissions and the User or recipient assumes full responsibility for any risks or damages that may result from the use of the survey data. The User or recipient agrees that the survey data displayed herein, although significant care has been exercised to produce surveys that satisfy the highest standards of accuracy, may contain errors or omissions. The User or recipient agrees that the User or recipient will not sue, claim, demand or otherwise seek compensation or damages if the survey data was compiled. Although all reasonable steps have been taken to locate all features visible at the time of the survey, there is no guarantee that it will be shown on the drawing as some above ground or below ground features may have obstructed the survey. Wherever possible, spot elevations will be labeled as "TST".

The Company shall not be liable for any inaccuracy of the data provided beyond the specified scale and accuracy or for any and/or manner in which the data is used. The Company shall not be liable for any loss or damage to property or equipment or for any consequential loss or damages arising from the use of the data. The Company shall not be liable for any damages of any kind.

The Client must promptly notify the Company of any errors in mapping of which it becomes aware. If misreading, misinterpretation or otherwise inappropriate information is brought to the Company's attention, the Company shall not be liable for any and/or manner in which the data is used. The Company shall not be liable for any loss or damage to property or equipment or for any consequential loss or damages arising from the use of the data. The Company shall not be liable for any damages of any kind.

The Client must promptly notify the Company of any errors in mapping of which it becomes aware. If misreading, misinterpretation or otherwise inappropriate information is brought to the Company's attention, the Company shall not be liable for any and/or manner in which the data is used. The Company shall not be liable for any loss or damage to property or equipment or for any consequential loss or damages arising from the use of the data. The Company shall not be liable for any damages of any kind.
