2021/2297/T	S. Nix	14/05/2021 08:59:47	COMMNT	Can further information be provided for this please, such as a photo? A drawing does nothing to show the supposed damage (to the wall). Is felling the tree the ONLY solution to this (as opposed to pruning), and has a specialist confirmed that felling is the only option? Thank you.
