Dear Mr McClue

**T&CP (Development Management Procedure) (England) Order 2015
& Planning (Listed Buildings & Conservation Areas) Regulations 1990**

**MURPHY'S YARD KENTISH TOWN NW5
Application No. 2020/5774/P**

Thank you for your letter of 4th May regarding amendments to the above request for a scoping opinion prior to an application for planning permission. On the basis of this information, we do not wish to offer any comments additional to those in our letter of 24th December 2020. We suggest that you seek the views of your specialist conservation advisers, as relevant.

It is not necessary for us to be consulted on this scoping opinion application again, unless there are material changes to the proposals. However, if you would like detailed advice from us, please contact us to explain your request.

This response relates to designated heritage assets only. If the proposals meet the Greater London Archaeological Advisory Service's published consultation criteria we recommend that you seek their view as specialist archaeological adviser to the local planning authority.

The full GLAAS consultation criteria are on our webpage at the following link:
