| 2021/0902/P | Louise Holstein | 17/05/2021 17:55:03 | JUST | It's a great shame that more green space is being allowed to be built on. Even though this is small space it still sets a precedent for other householders to do the same. Green space is important for us all, for biodiversity, air quality etc. Does the householder have plans (Planting perhaps) to address the imbalance the build will cause? |
