2021/2064/T	m green	17/05/2021 20:38:12	COMMNT	strongly object to the felling/ removing of hedgegrows in addition to trees being felled at this property. the information provided is very unclear and does not indicate any necessity for removal of hedgerow to the front of the building a feature of the duburban conservation area. please refuse. felling trees should not be a requisite of necessary buildings remedial works!
