2021/2246/T	Anthony Richardson	19/05/2021 15:00:32	COMMNT	This tree has recovered from the savage pruning carried out in 2017 . It is growing well and filling out its old shape . No evidence is shown for decay . It is the home of a happy Grey Squirrel family We at 64 Albert Street would be very sad to lose it . I cannot see what tree is planned to replace it ?
