Dear Gideon Whittingham ,

I am a resident of Fortress Road. A number of residents affected by the fortress walk works have some concerns about the windows.

I'm writing to you to get some clarification of the below conditions

They state Obscure glazed. Does this mean the glass needs to be glazed or can it be clear glass with a film applied to it? We understand that films can be removed, and so we would like clarification as to the meaning of the conditions. Opinions differ amongst the residents but before any complaints re made i would like to get total clarity on the intended meaning of the below conditions

many thanks
