| 2021/2575/T     | Danielle Peck    | 26/05/2021 07:54:58 | OBJ      | I object to the felling of this beautiful mature willow tree. The application states that the sole reason for felling is because it is dominating the garden. This application cannot be supported for such a weak reason, particularly as it is situated in the Belsize Park conservation area and is clearly visible from the street and, as such, provides a public amenity. This tree was deemed valuable 10 years ago to be afforded protection under another planning application (2010/1493/P). A significant number of trees in the CA have been felled recently where they have been shown to be diseased or dangerous. This is clearly not the case here. |
