Dear Laura

82 Fitzjohn's Avenue, London, NW3 6NP

Please take this as confirmation that I am a chartered Structural engineer membership number 028362792 (MI Struct E), I have been appointed by the client to design the structure for these alterations at 82 Fitzjohn's Avenue and will be supervising the construction works discharging the following condition:

*"The development hereby approved shall not commence until such time as a suitably qualified chartered engineer with membership of the appropriate professional body has been appointed to inspect, approve and monitor the critical elements of both permanent and temporary basement construction works throughout their duration to ensure compliance with the design which has been checked and approved by a building control body. Details of the appointment and the appointee's responsibilities shall be submitted to and approved in writing by the local planning authority prior to the commencement of development. Any subsequent change or reappointment shall be confirmed forthwith for the duration of the construction works"*

If there is a reason I cannot be present my colleague Martin Shortt also Chartered Structural Engineer will be able to supervise the construction.

Yours Sincerely

A John D Harrison
