Dear Adam

I refer to our conversation yesterday . I live at Flat 1 number 125 Fordwych Road ( the garden flat) .I have taken these pictures of the gap between 125 and 127 Fordwych Road which is about 160 cms. The white railing partially separates the 2 buildings. The pictures are taken from the entrance and from inside my flat.

The proposed new door at no127 will be directly opposite mine, and one of the proposed new windows will directly look into my kitchen and the other into my living room.

For these reasons I am concerned about the proposed development. I am also aware of the difficulties in parking in and around Fordwych Road.

Could you please acknowledge receipt of this e mail.

Kind regards
